

Hermiston Park, Consett - Morrisons Superstore...

Scope of Works

Working as a works contractor for Kier NE on the construction of a new (60,000 sq ft) Morrisons store in Consett .

The store is being constructed on a live retail park which involves dealing with plant and materials delivery control, public traffic, as well as health and safety logistics.

The first part of the scheme started in February 2012 and is due for completion in September 2012.

Principal activities included:

- Drainage
- Construction of foundations and substructure
- Utilities
- External works
- Paving and street furniture
