

## Horton Park, Blyth - Plot Works 2012

### Scope of Works

This ongoing scheme involved the construction of roads and sewers onsite and the construction of plots to ground floor level.

Units varied from single detached properties to four block, three-storey town houses.

Started in 2009 the Horton plotworks is ongoing and due for completion in 2012.

Absolute Civil Engineering Ltd are employed as a works contractor to Barratts North East.

### Principal activities included:

- Roads and sewers construction
- Construct plots to ground level
- External infrastructure and footpaths
- Offsite sewer connection using no-dig (directional drilling) techniques
